

# Kindle for PC cheat sheet

## Anywhere in the application

Ctrl + Alt + L	Go to Home
Ctrl + Q	Exit the Application
F5	Sync

## From Library

Up arrow	Move the focus to the book above the current selection
Ctrl + Alt + T	Sort by Title

## While Reading a Book

Page Down	Next Page
Ctrl + B	Open Notes and Marks (if closed)
Ctrl + G	Go to Location
Ctrl + W	Close Book
Alt + 2	Two-Column
Alt + 3	Multi-Column
Ctrl + Shift + F	Open Flashcard Side Panel
Ctrl + Y	Open and close X-Ray for Textbooks (only works on eligible Textbooks)
Ctrl + Alt + E	Export notes from Notebook (when using the Notebook)

## Using Text-to-Speech

To use these shortcuts, you must enable Text-to-Speech first. Press "Ctrl + T" or select the Tools menu and chose Start Text-to-Speech.

Ctrl + T	Toggle Text-to-Speech
Space	Pause or resume reading (while in a book)
Ctrl + Shift + Down arrow	Skip forward one sentence
Shift + +	Increase speech rate
Ctrl + Shift + C	Toggle continuous reading
