## Marking menu

The lagoon marking menus have the hotkeys 1, 2, 3, 4, 5, and 6 assigned to them. Even if you have customized your lagoon, these won't change.

|                    |                    |
|--------------------|--------------------|
| 3                  | Marking menu 3     |
| 4                  | Marking menu 4     |
| 6                  | Marking menu 6     |
| 1 then Right click | Interface controls |
