

Autodesk SketchBook (Mac) cheat sheet

Note

These are shortcuts for macOS. For Windows shortcuts of SketchBook, click [here](#).

Marking menu

The lagoon marking menus have the hotkeys 1, 2, 3, 4, 5, and 6 assigned to them. Even if you have customized your lagoon, these won't change.

1	Marking menu 1
2	Marking menu 2
3	Marking menu 3
4	Marking menu 4
5	Marking menu 5
6	Marking menu 6
1 then Right click	Interface controls
2 then Right click	Tools
3 then Right click	Brushes
4 then Right click	Colors
5 then Right click	Edit
6 then Right click	File
