Using Text-to-Speech

To use these shortcuts, you must enable Text-to-Speech first. Press "Cmd + T" or select the Tools menu and chose Start Text-to-Speech.

Cmd + T	Toggle Text-to-Speech
Space	Pause or resume reading (while in a book)
Cmd + S	Read the current sentence
Cmd + Shift + Up arrow	Read the previous sentence
Cmd + Shift + Down arrow	Skip forward one sentence
Shift + +	Increase speech rate
Shift + -	Decrease speech rate
Cmd + Shift + C	Toggle continuous reading
Cmd + I	Text-to-Speech read instructions

Note: This feature only works on eligible Kindle content. You can configure the Text-to-Speech language from the System Preferences on your computer.
