

Hulu cheat sheet

Navigation

You can use the following controls to navigate Hulu.com using your keyboard:

Tab	Navigate to the next content, button, or link
Shift + Tab	Navigate to the previous content, button or link
Enter	Select content, button, or link
Up arrow / Down arrow	Scroll up or down on the page
Space	Jump to next section of the page

Playback

Tab	Open the player controls, then navigate to the next option with each additional press of the button
Shift + Tab	Navigate to the previous options within the playback screen
Enter	Select button (when applicable)
Left arrow / Right arrow	If the volume button is selected, use the left/right arrows to control the volume. If the playback bar is selected, the left/right arrows can be used to rewind or fast-forward the video
Up arrow / Down arrow	If the volume button is selected, use the up/down arrows to control the volume. If the playback bar is selected, the up/down arrows can be used to rewind or fast-forward the video
Space	Pause or play the video
Esc	Minimize the video and enter Picture-in-Picture mode
F	Enter Full-Screen Mode
