F7	Go to Home Screen
F8	Previous Audio Track
F9	Play/Pause
F10	Next Audio Track
F11	Mute All Sounds, including VoiceOver
F12	Volume Down

Hold down Easy-Switch button for 3 seconds. Blinking light means keyboard is ready for pairing.

Steady light for 5 seconds indicates successful pairing. If light blinks slowly, repeat previous step.

To personalize your keyboard and use additional features, install the Logitech Options.
