Ctrl + Shift + D	Delete the bookmark in the current page if there is one.
F9	Display the side bar with a table of contents and bookmarks.
F7	Enable caret navigation placing a moveable cursor in text pages,

allowing you to move around and select text with the keyboard.

Selecting and copying text

Ctrl + C or Ctrl + Insert	Copy highlighted text.
Ctrl + A	Select all the text in a document.

Finding text

Ctrl + F or /	Show the toolbar that lets you search for words in the document. The search box is automatically highlighted when you press this, and the search will start as soon as you type some text. If you select a text in the document before searching, then the search will start using that text as input.
Ctrl + G or F3	Go to the next search result.
Ctrl + Shift + G or Shift + F3	Go to the previous search result.

Rotating and zooming

Ctrl + Left arrow	Rotate the pages 90 degrees counter-clockwise.
Ctrl + Right arrow	Rotate the pages 90 degrees clockwise.
Ctrl + 0	Default zoom.
Ctrl + + or Ctrl + =	Zoom in.
Ctrl + -	Zoom out.
F	Fit the page into the window.
W	Fit the content width to the space available.
A	Automatic zoom.

Window

F11	Use the full screen to view the document.
F5 or Shift + F5	Start a presentation.

Document view

Ctrl + I	Invert background and text colors.
C	Swap between continuous and page by page view of the document.
D	Display two pages side by side.

Annotate the document

S	Add a post-it like note.
Ctrl + H	Highlight text.
