

Netflix iPad and PC (2022) cheat sheet

General

| | |
|----------------|-------------------------|
| Enter or Space | Play / Pause |
| F | Full screen |
| Esc | Exit full screen |
| Left arrow | Rewind 10 seconds |
| Right arrow | Fast forward 10 seconds |
| Up arrow | Increase volume |
| Down arrow | Decrease volume |
| M | Mute |
| S | Skip intro |
| Ctrl + Space | Toggle by frame |

Audio descriptions

Audio descriptions can be toggled by clicking Audio & Subtitles at the top or bottom of the screen. Currently there isn't any keyboard shortcut available for this feature.

Note: Subtitle and audio preferences won't be saved when you play most Kids titles from an adult profile. This preference is saved when Kids title is viewed from a Kids profile.
