TalkDesk Callbar cheat sheet

General

Alt + K	Show the list of keyboard shortcuts
Alt + A	Accept call
Alt + E	End call
Alt + M	Mute call
Alt + H	Hold call
Alt + W	Warm transfer
Alt + B	Blind transfer
Alt + S	Toggle snapshot
Alt + N	Toggle call notes

Notes: To use keyboard shortcuts in succession, you have to release Alt key first.

The Alt + E shortcut will end an ongoing call, but it won't reject an incoming call, to avoid accidental rejection of calls.
