## Editor Navigation

Adding Shift key to navigation shortcut will usually extend the selection to include currently selected text.

Left arrow	Char left
Right arrow	Char right
Up arrow	Line up
Down arrow	Line down
Home	VCHome
End	Line End
Ctrl + Home	Doc start
Ctrl + End	Doc end
Ctrl + [	Paragraph Up
Ctrl + ]	Paragraph Down
Ctrl + /	Word left
Ctrl + \	Word right

Mac-only navigation shortcuts

Control + A	Navigate Start of line
Control + B	Navigate Char left
Control + E	Navigate End of line
Control + F	Navigate Char right
Control + L	Scroll to center view on current line
Control + N	Navigate Line Down
Control + P	Navigate Line Up
Control + V	Navigate Page down

Control + D	Delete next char
Control + H	Delete previous char
Control + K	Delete to end of line
Fn + Backspace	Delete key
Fn + Left arrow	Home key
Fn + Right arrow	End key
Fn + Up arrow	Page Up key
Fn + Down arrow	Page Down key

## Editor: Functions
