The Curse of Monkey Island cheat sheet

General

Space	Pause game
F1	Bring up Pause menu
Tab or I	Open / close inventory
C	Put inventory object under the cursor, on the cursor
T	Equivalent of the Parrot on the Interaction Coin
U	Equivalent of the Hand on the Interaction Coin
E	Equivalent of the Skull on the Interaction Coin
D	Check what level of difficulty you are playing, Easy or Mega Monkey
Tab	Fire cannon
Left arrow / Right arrow	Steer ship in ship combat
G	Select an item from the inventory

Other

Shift + W	Skip the entire game and show the Credits list (win the game)
Shift + ?	Shows the "machine rating is" message. This shortcut isn't needed during regular play
Shift + J	Use this during ship-to-ship combat, and in the following insult sword fights, the swords will sound like sounds from Star Wars
Ctrl + B	Increase sound buffer to 7 from 5 (or back). This may solve sound problem in old PCs
Ctrl + M	Move
Ctrl + T	Toggle voice and / or text
