

# This War of Mine cheat sheet

## General

Tab	Switch to next character. Focus screen on character at night
Esc	Game Menu (also pauses)
U	Hide UI
Space	Pause the game (no menu popup)
Left click or Middle click	Primary action. Move character or select
Double click or doublemiddleclick	Run to target, item or location (makes noise)
Right click	Same as double click. Also allows for quicker item stack transfers / selling / buying
Wheel up and wheel down	Zoom in and out. Scroll inventory and containers
